# Nonfiction Reading Kit

Use this kit to help you build important reading skills as you explore the nonfiction feature "The Snake That's Eating Florida."

## Text Features

**REMEMBER!** Text features are the headlines, pictures, captions, maps, and other things on the page that help you understand an article.

**Directions:** Look at the text features in the article to prepare to answer the questions below.

1. Look at the headline and illustration on pages 4-5. How do they make you want to read the article?

---

---

---

2. What did you learn from looking at the map, photograph, and caption on page 8?

---

---

---

3. Which picture in the story was your favorite? What did it teach you?

---

---

---
